

SUBJECT: USA PLAN EXTERIOR FINISHING INDICATION

◆ Exterior Finishing

Below table shows the exterior finishings available for US plans.

Exterior Finishing	Symbol
Tile	TD
Wave siding	WS
Cladding	CS
Local siding	LS

◆ CAD Floor Plan

To determine exterior finishing in floor plan, wall and balcony part will have color variation.

※ Color variation shown below is for HRD CAD planning presentation only. USA designer doesn't need to apply the color in CAD request.

1) Wall part

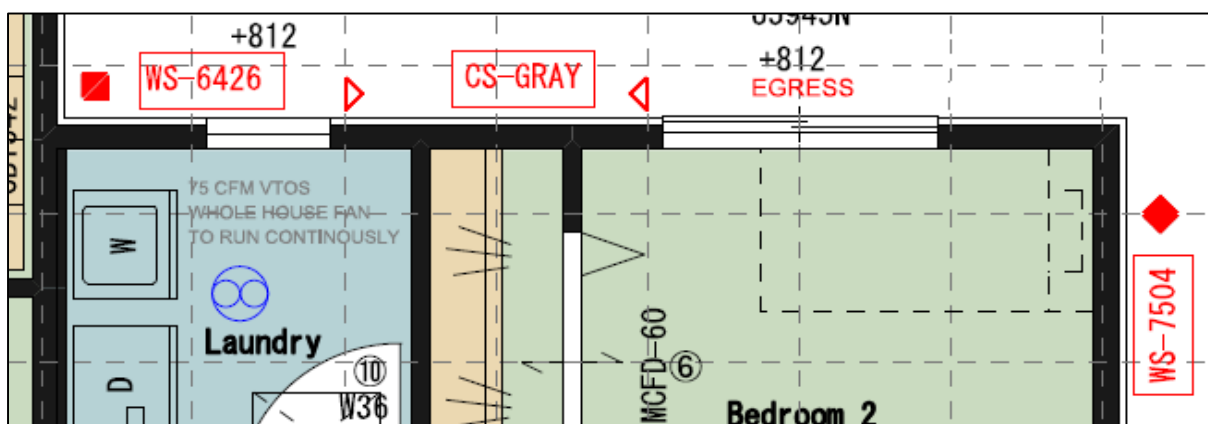

Exterior finishing for wall and roof wall is in **red note** and **red arrow** indication.

Exterior Finishing	Floor Plan Indication
	Note
Tile	TD-00
Wave siding	WS-0000
Cladding	CS-0000
Local siding	LS-0000

Wall Boundary Arrow Legend	
	boundary on grid
	boundary on inside corner
	partial finishing boundary

※ "O" means number that corresponds to the finishing color.

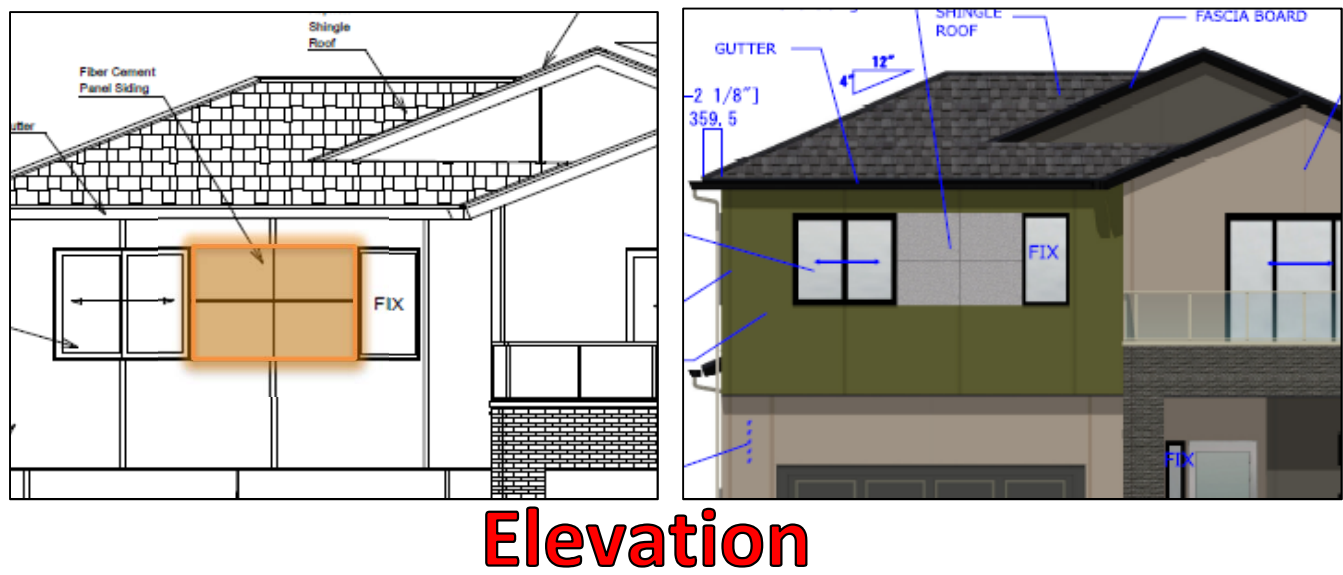

Illustration 1.1 Wall part

Floor plan

NOTE: For CAD floor plan, need to input the exterior finish indication right after or near the start of the arrow indication. Only one color indication per boundary is needed. Refer to illustration above for the sample.

Illustration 1.2 Elevation

2) Parapet roof and Balcony wall part

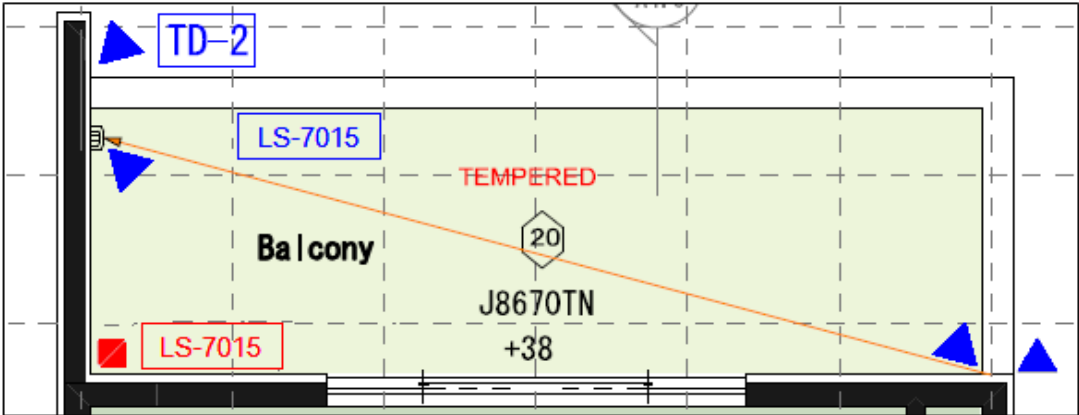

Exterior finishing for parapet and balcony is in blue note and blue arrow indication.

Exterior Finishing	Floor Plan Indication
	Note
Tile	TD-00
Wave siding	WS-0000
Cladding	CS-0000
Local siding	LS-0000

Balcony and Parapet Roof Arrow Legend	
	boundary on grid
	boundary on inside corner

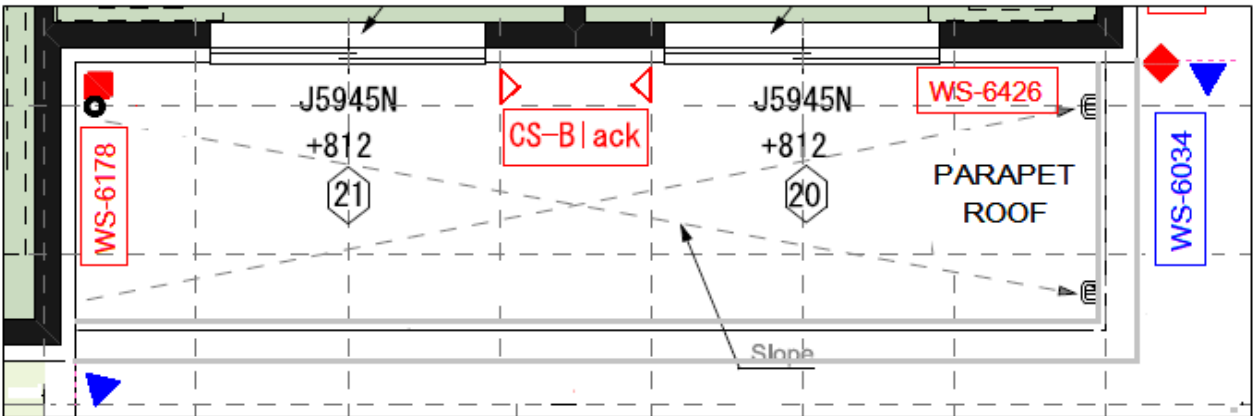

※ "0" means number that corresponds to the finishing color.

Illustration 2.1 Balcony

※ Inside color of balcony wall is the same with exterior wall color where balcony is located.
Balcony wall inside color depends on designer's request.

Illustration 2.2 Parapet roof

3) **Roof wall part**

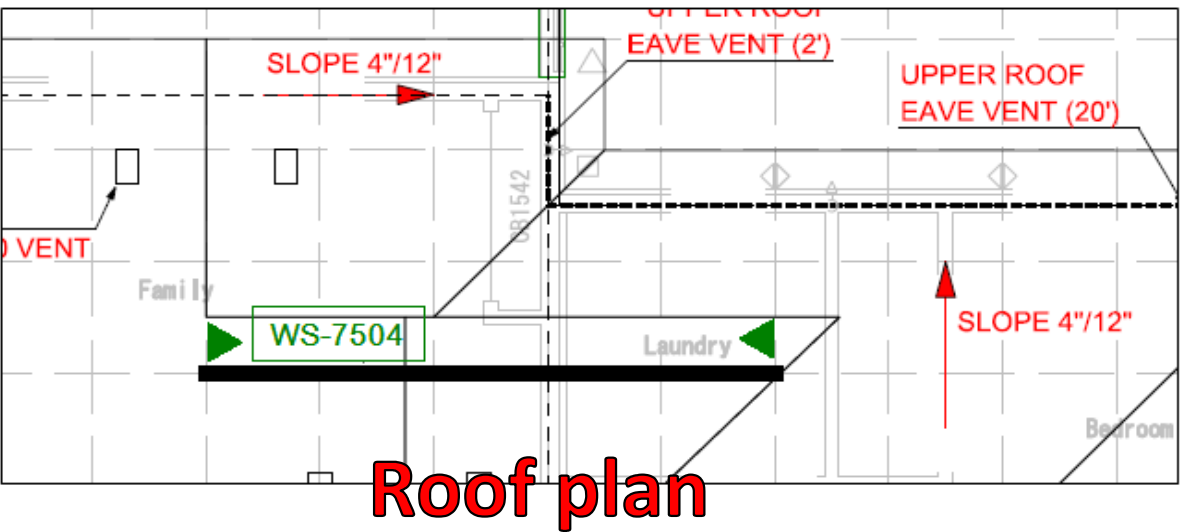

Exterior finishing for roof wall is in **green note** and **green arrow** indication.

Exterior Finishing	Floor Plan Indication
	Note
Tile	TD-OO
Wave siding	WS-0000
Cladding	CS-0000
Local siding	LS-0000

Roof Wall Arrow Legend	
	boundary on grid
	boundary on inside corner

※ "O" means number that corresponds to the finishing color.
